

MERCWORKS

I'm gonna get a car and get outta this shittick town

Me too.

Do you guys read webcomics?

Jokes
are lame.

Pictures
are gay.

So... no?

I could afford a car
if someone bought
my webcomic.

If only
people knew
how powerful
JerkWorks
could be.

Oh!

I got it!

Let's just take this one

It's not stealing
if it's your dad's car.

You guys go ahead.

SMASH!

I'm gonna work
on my plan and call
the cops probably.
